

Getting Started: “40 Days to the Trainer”

One of the main goals for “Training for the Cross” is to get people to try “40 Days to the Trainer” and have God transform their lives. Then, to have people continue to follow the formula (Foundation for Perfection – A Guide to Discipleship), get new people to test it, and use it as an outreach program for cowboys and horse people throughout the US and beyond. People that would never set foot in a church may put up with the parables for a while, if they knew the parables would help their horsemanship and their ability to get their job done on the ranch, in the arena, or on the trail. The goal of TFTC is to use horses to reach people that are sour on religion, don’t like going to church, or live too far from town to go to church. We do not feel led to publish the books yet. God said He would be our distributor.

To get access to the books you can copy the PDF file off the website and send an e-mail, CD, or zip drive to your local printer and have them print and bind the books. Shop around the local printers in your area and find a good deal. If you print in bulk they will usually give you a much better deal. To give you an idea of a good deal, where I print them in Belgrade, MT it costs \$12.50 for “Returning to Eden” and \$6.00 for “Foundation for Perfection – A Guide to Discipleship.” If you have access to the internet, and do not mind reading off the computer, you can read the daily chapters of “Returning to Eden” on your computer and just print “Foundation for Perfection – A Guide to Discipleship” so you can write in the journal.

If you are committed to giving “40 Days to the Trainer” let us know so we can be praying for you. Let us know who you are, where you are from, and how many of you are doing it. If you have given “40 Days to the Trainer” let us know how it went, and we’ll send you a bumper sticker saying, “I’ve given 40 days to the Trainer” with our website on the bottom. If you got anything out of the 40 days and would like to share in our ministry, we would love to have your help. If someone asks you about the bumper sticker just share with them what the Lord puts on your heart.

If you would like to support the ministry financially, take part in printing and spreading the books amongst the cowboys and horse people in your community. If you are involved with horses and have people coming to you for advice, please feel free to use the “Foundation for Perfection – Horsemanship” principles! If people see that it works with their horse, it may serve as a window to get them to test “Foundation for Perfection – A Guide to Discipleship” in their life. Take anything of mine you can use and add to it as the Lord leads you.

You can also help the ministry through prayer. Pray that Godly men and women with influence in the horse industry would be led to take what God has given me, add to it as God leads them, and spread it throughout. **The mission of TFTC is that the movement started by Tom Dorrance, spread by Ray Hunt, and continued through many clinicians throughout the world, would be used to spread the gospel, bring people to the Lord and sweep the nation like a wild fire.** Anyone who shares this vision and gets involved in any way is a part of TFTC.

Smith Wigglesworth prophesied in the late 1800’s: **“In the last days the gospel will be spread by the cowboy...”**

God Bless,
Wade Black
